BEVERAGES LLP

**Indo Pacific Beverages LLP** is an emerging alcohol company producing its products exclusively at its state-of-the-art manufacturing facility at Ponda, Goa, India. We distribute our products in the African continent through our own subsidiary – **Indobev Global Limited**, with its registered office in Accra, Ghana. We do have other distribution partners in select markets globally for ease of operations and market access.

Apart from the unparalleled quality of our products, we are known for our competitive prices, blockbuster brands, promptness of service, complete transparency and long-term business association.

While we keep adding to our portfolio of brands as per market requirement, the following is the list of our brands currently available in the market:

**La Franz Premium Brandy C 7** – The choicest of ingredients, including cognac, go into the making of La Franz Premium Brandy C 7. Elegant fruity aromas play on the palate with hints of cherry, yuzu marmalade and an intricate long finish that beckons the imbiber in for a sip of this exclusive brandy.

**MOGHUL  
MONARCH**  
*Rare Premium Whisky*

*You are the Monarch of all I survey,  
My right there is none to dispute,  
From the centre all round to the sea,  
You are Lord of the fountains and the  
beats...*
